**First Examination in Engineering (Special) for Diploma Holders September, 1966.**

DRAFT TIME-TABLE.

(Note carefully the time of the Examination)

| *Date* | *Time* | *Subject* |
|---|---|---|
| **Practicals to Commence from Monday the 26th September 1966** | | Oral and Practical Examination in Batches :— **Workshop Practice. Physics Practicals. Chemistry Practicals. |
| **Wednesday, 14th September 1966** | 8 A.M. to 11 A.M. | English* |
| **Thursday, 15th September 1966** | do | Physics I |
| **Friday, 16th September 1966** | do | Physics II |
| **Monday, 19th September 1966** | do | Chemistry I |
| **Tuesday, 20th September 1966** | do | Chemistry II |
| **Wednesday, 21st September 1966** | do | Mathematics I |
| **Thursday, 22nd September 1966** | do | Mathematics II |
| **Friday, 23rd September 1966** | do | Applied Mechanics |
| **Saturday, 24th September 1966** | do | Geometrical Drawing |

*Note:*— Detailed Time Table for the Practical Examinations will be announced by the Chief Superintendents of Centre later.

1 *Common to Pre-Professional Examinations in Engineering, Medicine and Dental Surgery and I B.E. of the 5 years Integrated Course and I B.E. (Special) for Diploma Holders Examinations.

2 **Examination in 'Workshop Practice' is for students of Civil and Electrical Diploma Holders only.

B. N. BOLE GOWDA,
*Controller of Examinations.*

**B.E. Degree Examination—September 1966 Civil (Old Scheme)**

| *Date* | *Time* | *Subject* |
|---|---|---|
| **Wednesday, 14th September 1966** | 8 A.M. to 11 A.M. | Survey Theory |
| **Thursday, 15th September 1966** | do | Irrigation |
| **Friday, 16th September 1966** | do | Water Supply and Sanitary Engineering |
| **Monday, 19th September 1966** | do | Estimating, Specification and Engineering Economics |
| **Tuesday, 20th September 1966** | do | Roads and Bridges |
| **Wednesday, 21st September 1966** | do | Railways Tunnels and Harbours |
| **Thursday, 22nd September 1966** | do | Structural Design |
| **Friday, 23rd September 1966** | 8 A.M. to 12 NOON | Irrigation and Bridge Drawing |
| **Practicals to Commence from 24th September1966** | | Oral and Practical Examinations in Batches (2)— (1) Survey Practice (2) Hydraulic Laboratory (3) Testing of Materials Laboratory. |

*Note:*—Detailed Time Table for the Practical Examinations will be announced by the Chief Superintendents of the Centre later.

B. N. BOLE GOWDA,
*Controller of Examinations.*
